# STORAGE SYSTEMS

Our storage systems enable harmonious integration in the entire laundry process.

Our storage boxes are placed as a battery (side by side) or as a tower (one above the other), at the clean or dirty side and offer an alternative to the service-intensive bag-system.

## DESIGN FEATURES

- Storage boxes made entirely of stainless steel
- Easy discharge by horizontal flat slides
- Loading capacity according to customer requirement → No limitation
- Space-saving solution for laundry storage
- Maintenance-free
- Long life of the system

# ENGEL-GEMATEX LAUNDRY TECHNOLOGY

Our range of services covers the development, design, production and modern solutions application in the laundry technology. Innovations such as the patented Gematex AIR IDEA system represent the potential and quality standards of our company worldwide.

Customized and user-friendly solutions for your individual requirements are not only our aspiration but our motivation for the future. Through our customers, we take ideas and turn them into solutions.

*The certification of our services according to ISO confirms the top quality of Gematex. The aim of the implemented QM system is a continuous improvement and a high quality awareness at all company levels.*
